

## TRANSFER ARTICULATION AGREEMENT

### Pine Manor College and Miami-Dade Community College

- 1 Pine Manor college assures the acceptance of an Associate in Arts degree graduate who has earned a grade point average of 2.0 or better (on a 4.0 scale) into their baccalaureate degree program. Students who are accepted with 60 transfer credits will be classified as juniors.
- 2 Transfer students will receive academic credit for all college-level courses applied toward the requirements of the Associate degree, excluding grades of "D" or lower. A maximum of 60 credits will be accepted for transfer as an associate degree.
- 3 Non-credit or remedial courses adjudged to be below college level will not be accepted for transfer.
- 4 It is understood that if a student does not have the foundation or skill to enroll in an upper level course because she has not taken introductory courses, she will be required to take any necessary prerequisite(s) prior to enrollment in the upper level course. Therefore, Pine Manor College cannot assure every student the completion of requirements for the baccalaureate degree in four semesters.
- 5 The Pine Manor College Academic catalog contains all information regarding degree requirements. Students wishing to plan their associate degree program to ensure meeting prerequisites for upper division courses and completion of their baccalaureate degree in four semesters are encouraged to communicate early with the transfer counselor at Pine Manor College to secure specific information about transfer credits.
- 6 This agreement will be reviewed bi-annually and may be revised by mutual consent.
- 7 The agreement is expected to continue in force indefinitely but may be terminated by either party with not less than one year's notice.
