Saint Peter's College and Miami-Dade Community College

This understanding is entered on the 11 day of July   , 1995
between Saint Peter's College and Miami-Dade Community College.

Saint Peter's College will accept a maximim of 69 credits from
students of Miami-Dade Community College who complete the
associate degree. Credits earned in basic skills courses or
developmental courses and course grades less than a C are not
transferable.

Students who have earned the associate degree and a grade point
average of 2.0 or greater will be guaranteed admissions to Saint
Peter's College.

To earn a bachelor's degree from Saint Peter's College, students
must complete a minimum of 129 credits. The 129 credits include
major requirements as listed in the Saint Peter's College
Undergraduate Bulletin and include 69 core curriculum credits.
Credits transferred under this articulation agreement may be used
to satisfy core curriculum requirements and up to one half of
major program requirements.

The appendix is a complete listing of the courses for this
articulation.

It is agreed that if either college changes the course numbers,
titles or content, they will notify the other party.
